

Highlands School

The Principal's Message:

As my final year as Principal of Highlands School draws to a close, I would like to take the opportunity to thank our students, our staff, our parents, and our community. It has been a great five years for me, and I am grateful for having had this opportunity, and for all that I have learned from all of you. Our Highlands School Community has become like a family to many of us. Yes, grades and achievement are important, but the supportive atmosphere that you have all created together, is what makes this school truly great. We have become a team where everyone has been committed to the wellbeing and success of everyone else. For that, I commend and thank you all. I know that our current grade 7 and 8 students – next year's 8s and 9s, will become strong leaders who will help our new grade 7 students make a smooth, comfortable transition to junior high. As student leaders you will also be important in welcoming the new staff and your new principal, Mr. LeLacheur.

To our grade 9 students who will be graduating from Highlands School along with me, I wish you all the best as you embark upon your new challenge of high school. Go forward knowing that your Highlands teachers have prepared you well. Get involved in your new school – ask for help when you need it – attend every single day – and continue to support one another. I know that you can all be successful. It isn't just your talent that will get you through – more important is your effort and perseverance. You can succeed at anything that you set your mind to!

So – all the best to each and every one of you. I will miss you all, but move on with many great memories of a wonderful school, and of students who have touched my heart. Please stay in touch. I would love to hear of your future successes!

The Yearbook Team Message:

2009-2010 was a fantastic year. The yearbook team has worked diligently to capture as many key moments as possible. We hope you love these memories that we have shared with you.

Thanks,
